News from the Studio:

New Staff Member

Hello! My name is Cassandra. I am the newest addition to the Zot Artz Studio and will be helping with correspondence. Currently, I am a Fine Arts Major at Northland College in Ashland, Wisconsin. Lured by the Great Lake Superior, I moved from Dallas, TX to attend Northland and have been an avid fan of the north country since. I am excited to be a part of Zot Artz and look forward to the months to come.

Updated Website and Online Catalog

Our updated website is up and running! Check it out: [www.zotartz.com](http://www.zotartz.com). Make sure to look at the bottom of the homepage for links to this bimonthly newsletter, workshop information, the catalog and more. We also have a new turn-page catalog. There will be a printable version soon, but for now you can flip through the pages online. Feel free to give us feedback and ask questions:
